Limited Review Report on Unaudited financial results and year to date results of Arian Academy Limited under regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

To,
Board of Directors,
Arian Academy Limited.

We have reviewed the accompanying statement of unaudited financial results of **Arian Academy Limited** for the quarter ended 30th June 2024. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

The company is listed on the SME platform of NSE and is required to publish half-yearly results, however the company has opted to adopt voluntary quarterly reporting from Quarter 1 FY 2024-25. The results for the previous quarter ending on 31st March 2024 and the quarter ending 30th June 2023 are not available.
